A Zero - Risk, Zero - Expense Partnership

We understand that as a bustling business, your focus is on serving your customers, not managing new retail equipment. Therefore, we have designed a fully hands - off, zero expense operational model for your establishment.

Zero Capital Investment: We will provide and install the dedicated Mashbere Freezer Kiosk inside your venue completely free of charge.

Zero Maintenance & Restocking Effort: Your staff does not need to worry about inventory. Our dedicated sales team will visit your location on a daily basis to check stock levels, clean the freezer, and replenish all products.

Pure Profit: Because you carry no operational or setup expenses for this kiosk, the margin on every popsicle sold drops straight to your bottom line.
